Jonathan M. Jones

Voice

STANZA 1 Faith-ful God through all the a - ges, faith-ful king who lov-eth
me; he is fer - vent in his pro - mise, sta-tutes ev - er sure to be. In the
hope of Christ my sav-ior, through the blood of Christ my king; by his true and stea-dy
pro - mise, e - ver - more his prai - ses ring.

Stanza 2

Empty hands and broken
spirit,
How I come on bended
knee.
Though no righteousness
within me,
Christ has loved yet even
me.
He is faithful he is faithful,
Always boundless in his
love.
For eternity I'm singing,
"Christ forever is enough."

Stanza 3

Here I stand through
endless ages
On his oath of matchless
grace,
And I rest in his assurance
And his covenant always.
Not rejecting one who
seeks him,
In the kindness of his
ways;
I respond to Christ forever,
Faithful God of every age.

Stanza 4

Christ forever is my savior,
He who never faileth me.
Christ is better than all
pleasures,
Sweetest hope eternally.
Christ regarded me in
mercy,
In my hopeless plight to
save;
Trusting in the surest
promise,
Faithful God of every age.
